

Jikiden Reiki® with Arjava

Reiki is a simple form of holistic energy healing from Japan known as "Shin-shin Kaizen Usui Reiki Ryoho," which translates as "Usui Reiki treatment method for the improvement of body and mind."

Jikiden Reiki® is the original teaching of Reiki preserved in its authentic tradition in Japan and presented with credibility and clarity. It is entirely free of Western influence. Its roots go back almost to the discovery of Reiki itself. This seminar is open to anyone new to Reiki and to seasoned Reiki practitioners. In this training you will experience Reiki in its original beauty and simplicity - Reiki is amazing!

- It is a very simple, non-religious holistic healing art
- It is gentle, yet effective, and it works whether or not you believe in Reiki
- It helps on a whole-person level (mind-body and spirit)
- It is unique — only the most authentic Reiki teaching is presented
- It includes ideas and techniques not previously taught in the West
- You will receive an Official Reiki certification accredited by the Jikiden Reiki® Institute in Kyoto, Japan upon completion of this training
